**Statement of CPNI Procedures and Compliance**

Unity Communications, Inc. ("Unity") is a small local exchange company, providing service to business customers in fourteen states. Unity does not use or permit access to CPNI to market any services outside of the total service approach as specified in 47 CFR §64.2005. If Unity elects to use CPNI in a manner that does require customer approval, it will follow the applicable rules set forth in 47 CFR Subpart U, including the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

Unity ensures that its employees do not improperly use or disclose CPNI by requiring that all access to CPNI be handled in accordance with established company procedures as set forth below. These procedures were approved by the president of the company, who has knowledge of and is familiar with the FCC's CPNI requirements.

Unity does not use CPNI in any sales or marketing campaigns. The CPNI in Unity's possession is under not under any circumstances provided to outside agents.

Unity has instituted training procedures and a corresponding disciplinary process to ensure that its personnel understand and comply with restrictions regarding the use and disclosure of, and access to CPNI. According to required procedure, a customer must verify his/her account number, social security number, Federal Employee Identification number and billing address.

Requests for CPNI by law enforcement agencies are only granted if a subpoena is provided. Subpoenas and legal disclosure documents are kept on file with information provided, if any.
